

iSprout opens in Chennai

Looking at the growing demand for office work spaces in a city like Chennai, iSprout launched its sixth centre at iSprout Business Centre, Saravana Matrix Tower, OMR, Perungudi on Friday. According to a press release, the company aims to provide 1,100 seats on a space of approximately 60,000 sq ft.

Speaking about the iSprout Business Centre elaborately, its CEO and co-founder Sundari Patibandla said, 'Our in-house team of professionals is here to channelize your business ideas into viable enterprises. Besides, providing inspiring work spaces, iSprout helps in business set up and management based on its customers' requirements.' She added, 'As part of its nationwide drive, after Hyderabad, Vijayawada and Chennai, it also has plans to enter Bengaluru, Pune, Noida and Gurgaon shortly.'

iSprout caters to the demands of full-fledged serviced office spaces in terms of providing business support services like company incorporation, accounting, payroll, registrations, GST filing, TDS filing, tax and audit, the release added.
